

Dear Community Friend,

As a non for profit club we rely heavily on our sponsors. Your support allows us to let everyone play regardless of their ability to pay. While any type of gift or donation will be helpful to our club, we hold fundraising auctions throughout the year; we are hoping you'll consider a top Sponsorship.

1st is our "club hero": sponsorship. This is a donation that will help the club pay for larger expenses such as jerseys or food costs. You will receive a plaque with your name and year of sponsorship as well as a link on our website to your website for instant access to your company. We will also prominently display a banner with your company's information and put your name in our team newsletter that will be handed out to all participants.

2nd is the GOLD sponsorship available for \$500. This includes a 4 foot x 8 foot vinyl sign prominently displayed throughout our Fall League season and we will also put you on our website with a link right to your company site.

3rd is the SILVER sponsorship available for \$250. This includes a 20" x 24" sign displayed throughout our Fall League season and we will also put you on our website with a link to your website.

4th is the BRONZE sponsorship available for \$100. This includes an 18"x20" sign displayed throughout the Fall League season and we will also put you on our website with a link to your website

There is a breakdown of our expenses on an annual basis, upon request, so you know where your donation will be applied.

Our Travel League season starts in May and runs through August. (Teams can also play an indoor winter session as well as tournaments) During our past fall house session we received approximately 10,000 hits to our website.
