Welcome to E.M.W. Baseball and Softball

The Board of Directors, Baseball Division, E.M.W. Sports, Inc. would like to state the main purpose of this organization is to provide the opportunity for boys and girls to play, learn and enjoy baseball and softball in an atmosphere of good sportsmanship and fair play. It is essential that all of us conduct ourselves in a manner that will encourage this ideal.

Volunteers help make this program a success and dedicate many hours of their own time. It is our desire to create a community project in which parents may participate with their children in the baseball and softball programs. Coaches, umpires and workers are always needed and your assistance is most welcome.

The objective of the Baseball Division shall be to implant firmly in the boys and girls of the community the ideals of good sportsmanship, honesty, loyalty, courage and reverence so that they may be finer stronger and healthier young men and women.

The objectives will primarily be achieved by providing supervised baseball and softball games. Everyone involved shall bear in mind that the molding of future men and women is of prime importance; and the attainment of athletic skill or the winning of the games is secondary.

The Board of Directors will constantly strive to attain these objectives. The boys and girls involved and these objectives will be our principle concern when making our decisions and plans. Your cooperation will be greatly appreciated.

UMPIRE AUTHORITY

1.01 (Includes: Umpire authority)

- (a) The EMW Umpire-in-Chief or his designee shall appoint the umpires to officiate at each league game. The umpires shall be responsible for the conduct of the game in accordance with these official rules and for maintaining discipline and order on the playing field during the game.
- (b) Each umpire is the representative of the EMW Baseball league and of baseball, and is authorized and required to enforce all of these rules. Each umpire has authority to order a player, coach or club officer or employee to do or refrain from doing anything, which affects the administering of these rules, and to enforce the prescribed penalties.
- (c) Each umpire has authority to rule on any point not specifically covered in these rules.
- (d) **ZERO TOLERANCE**-Each umpire has authority to disqualify any player, coach, manager, or substitute for objecting to decisions or for unsportsmanlike conduct or language, and to eject such disqualified person from the playing field. If an umpire disqualifies a player while a play is in progress, the disqualification shall not take effect until no further action is possible in that play. The umpire must report to the Umpire-in-chief, Commissioner or Player Agent, within a reasonable time, if a player, coach, manager, substitute or spectator was ejected from a game, to ensure that the incident is properly documented so the Board of Directors can take appropriate action.
- (e) **ZERO TOLERANCE**-Each umpire has authority at his discretion to eject from the playing field any spectator or other person not authorized to be on the playing field.

1.02 (Includes: Appeals to umpires, Disagreements with umpires)

- (f) Any umpire's decision which involves judgment, such as, but not limited to, whether a batted ball is fair or foul, whether a pitch is a strike or a ball, or whether a runner is safe or out, is final. No player, manager, coach or substitute shall object to any such judgment decisions.
- (g) Players leaving their position in the field or on base, or managers or coaches leaving the bench or coaches box, to argue on BALLS AND STRIKES will not be permitted. They should be warned if they start for the plate to protest the call. If they continue, they will be ejected from the game.
- (h) If there is reasonable doubt that any umpire's decision may be in conflict with the rules, the coach may appeal the decision and ask that a correct ruling be made. Such appeal shall be made only to the umpire who made the protested decision. If there is reasonable doubt that an umpire's decision may be in conflict with the rules, the head coach may appeal the decision or protest.
- 1) The protesting coach must call a time out and declare a formal protest to the umpire. Both umpires must then sign both teams' scorebooks before the game is allowed to continue. **NOTE: All EMW participants are urged to take precautions to prevent protest.**
- 2) Umpires are to notify the Umpire-in-Chief within 24hrs of the protest. Protesting coach must notify player agent for that league within 24 hrs.
- (i) If a decision is appealed, the umpire making the decision may ask another umpire for information before making a final decision.
- (j) The coach or the catcher may request the plate umpire to ask his partner for help on a half swing when the plate umpire calls the pitch a ball, but not when the pitch is called a strike. Field umpires must be alerted to the request from the plate umpire and quickly respond.

(k) Coaches may not protest the call of a ball or strike on the pretense they are asking for information about a half swing. Appeals on a half swing may be made only on the call of ball and when asked to appeal, the home plate umpire must refer to a base umpire for his judgment on the half swing. Should the base umpire call the pitch a strike, the strike call shall prevail.

(l) Base runners must be alert to the possibility that the base umpire on appeal from the plate umpire may reverse the call of a ball to the call of a strike, in which event the runner is in jeopardy of being out by the catcher's throw. Also, a catcher must be alert in a base-stealing situation if the base umpire upon appeal reverses a ball call to a strike from the plate umpire. The ball is in play on appeal on a half swing. On a half swing, if the manager comes out to discuss with first or third base umpire and if after being warned he persists in discussing, he can be ejected as he is now discussing over a called ball or strike.

(m) No umpire may be replaced during a game unless he is injured or becomes ill.

1.03 *(Includes: Umpire duties)*

(a) If there is only one umpire, he shall have complete jurisdiction in administering the rules. He may take any position on the playing field which will enable him to discharge his duties (usually) behind the catcher, but sometimes behind the pitcher if there are runners).

(b) If there are two or more umpires, one shall be designated umpire in chief or "head umpire" and the others field umpires.

(c) Umpires are not permitted to text while the games are in progress.

(d) Violation of this policy (c) will result in the forfeiture of pay for that game.

1.04 *(Includes: Umpire in chief or "head umpire" duties)*

(n) The umpire in chief's duties shall be to:

- 1) Take full charge of, and be responsible for, the proper conduct of the game
- 2) Make all decisions except those commonly reserved for the field umpires.
- 3) If a time limit has been set, announce the fact and the time set before the game starts.
- 4) Call the game due to darkness on account of safety to all participants.
- 5) Announce any special ground rules, at his discretion.

(o) A field umpire may take any position on the playing field he thinks best suited to make impending decisions. His duties shall be to

- 1) Take concurrent jurisdiction with the umpire in chief in calling "Time," balks, illegal pitches, or defacement or discoloration of the ball by any player.
- 2) Aid the umpire in chief in every manner in enforcing the rules, and excepting the power to forfeit the game, shall have equal authority with the umpire in chief in administering and enforcing the rules and maintaining discipline.
- 3) If different umpires should make different decisions on one play, the umpire in chief shall call all the umpires into consultation, with no coaches or players present. After consultation, the umpire in chief (unless another umpire may have been designated by the league president) shall determine which decision shall prevail, based on which umpire was in best position and which decision was most likely correct. Play shall proceed as if only the final decision had been made.

1.05 *(Includes: Umpire responsibility to report violations)*

(a) The umpire shall report to the Umpire-in-Chief and/or League Commissioner within twenty-four (24) hours after the end of a game all violations of rules and other incidents worthy of comment, including the disqualification of any trainer, manager, coach or player, and the reasons therefore.

(b) When any trainer, manager, coach or player is disqualified for a flagrant offense such as the use of obscene or indecent language, or an assault upon an umpire, trainer, manager, coach or player, the umpire shall forward full particulars to the league president within four hours after the end of the game.

(c) After receiving the umpire's report that a trainer, manager, coach or player has been disqualified, the Umpire in chief shall impose such penalty as deemed justified, and shall notify the person penalized and the manager of the club of which the penalized person is a member.

GENERAL INSTRUCTIONS TO UMPIRES:

1. Umpires, on the field, should not indulge in excessive conversation with players.
 2. Keep out of the coaching box and do not talk excessively to the coach on duty.
 3. Keep your uniform in good condition.
 4. Be active and alert on the field.
 5. Be courteous, always, to club officials; avoid visiting in club offices and thoughtless familiarity with representatives of contesting clubs. When you enter a ballpark your sole duty is to umpire a ball game as the representative of EMW.
 6. Do not allow criticism to keep you from studying out bad situations that may lead to protested games.
 7. Carry your rulebook. It is better to consult the rules and hold up the game ten minutes to decide a knotty problem than to have a game thrown out on protest and replayed.
 8. Keep the game moving. A ball game is often helped by energetic and earnest work of the umpires.
 9. You are the only official representative of baseball on the ball field. It is often a trying position which requires the exercise of much patience and good judgment, but do not forget that the first essential in working out of a bad situation is to keep your own temper and self control. You no doubt are going to make mistakes, but never attempt to "even up" after having made one. Make all decisions as you see them and forget which is the home or visiting club.
 10. Keep your eye everlastingly on the ball while it is in play. It is more vital to know just where a fly ball fell, or a thrown ball finished up, than whether or not a runner missed a base.
 11. Do not call the plays too quickly, or turn away too fast when a fielder is throwing to complete a double play.
 12. Watch out for dropped balls after you have called a man out.
 13. Each umpire team should work out a simple set of signals, so the proper umpire can always right a manifestly wrong decision when convinced he has made an error. If sure you got the play correctly, do not be stampeded by players' appeals to "ask the other man." If not sure, ask one of your associates. Do not carry this to extremes, be alert and get your own plays. But remember! The first requisite is to get decisions correctly. If in doubt don't hesitate to consult your associate. Umpire dignity is important but never as important as "being right."
 14. A most important rule for umpires is always "BE IN POSITION TO SEE EVERY PLAY." Even though your decision may be 100% right, players still question it if they feel you were not in a spot to see the play clearly and definitely.
- Finally, be courteous, impartial and firm, and so compel respect from all.

EMW Threatening Weather & Lightning Policy

In the event of lightning, EMW Baseball will follow guidelines by the NSSL (National Severe Storms Laboratory) during games.

The NSSL strongly recommend terminating activity when the lightning is 6 miles away. There is a 70% chance that the next cloud-to-ground strike will occur in a circular area with a 6-mile radius from the previous strike.

An audible alarm (air horn) will be sounded when lightning is detected within 6 miles from Creek Road Park.

Steps to take if Lightning is 6 miles or less away:

- a. Threatening weather conditions and/or lightning will end the game or practice session. Due to the lack of lightning safe, enclosed structures, the Creek Road Softball & Baseball Fields will be cleared of all persons in lightning conditions. All players, spectators, coaches and managers are to proceed to the safety of their automobiles. Areas around the concession stands are not considered safe areas. No one will be allowed into the stand area or maintenance sheds while lightning is in the area.
- b. Games scheduled to start while lightning is sighted will be cancelled as a rain out if the delay due to the activation exceeds fifteen minutes past the games posted starting time.
- c. Practice sessions shall be delayed or cancelled until the lightning has cleared. No one will be allowed to practice until all lightning has cleared.
- d. No one will be allowed onto the Creek Road Park field area while lightning has been sighted or is in the area. For safety considerations, everyone shall remain in their cars while lightning is in the area.
- e. The NSSL/EMW recommends that everyone should ideally wait at least 30 minutes after the last flash of lightning or sound of thunder before returning to the field or activity.
- f. Please check website for the weather conditions prior to coming to park. www.emwbaseball.org
Avoid: Tall trees or objects like light poles or flagpoles, individual trees, standing pools of water and open fields. Also avoid being the highest object on the field. Do not take shelter under a single tall tree. Avoid bathrooms and using the landline telephone. A cellular phone or portable phone is a safe alternative.
