

2015 Prospective Coaches

Please provide your contact information and fill out the “Coaching Application” form at the registration table of the league you wish to coach. At the conclusion of registrations the Board will compare the number of coaching applicants in each league to the number of teams available in each league. Based on that comparison we will know if we have enough teams for all who signed up to coach. If we have more applicants than teams available the Board will meet and decide on coaching assignments the week of January 26-30.

Once the coaches for each league have been assigned, those coaches will be contacted by the League President and will be required submit to the online background check through our vendor, Protect Youth Sports. Those coaches will also be required to be present for both league evaluations on Sunday, February 1 and on Sunday, February 8 from 2pm-5-pm at Volanta Park (does not apply to Tee Ball).

Please note the following:

- Tee Ball coaching staffs may consist of 3 designated coaches
- Peanut coaching staffs may consist of 2 designated coaches
- Minor coaching staffs may consist of 2 designated coaches
- Ozone coaching staffs may consist of 2 designated coaches
- Dixie Boys coaching staffs may consist of 2 designated coaches
