

## **2013 IFPAA 11B Tournament Team Results**

Parents, players and board members:

The 11 B tournament team also finished their season last week with a championship game against Mars. They came up short and lost 5-1. They beat the second and third place seeds to advance to the finals. Despite a rough tournament season they finished strong and brought home a second place trophy. The players fought hard all season and with a lot of heart and determination they never gave up and finished on a positive note.

Congratulations to the 11 B team members: Will Frisco, Dominick Harrell, Andrew Johnson, Brandon Negri, Mattie Pak, Kevin Schott, Abi Sekhar, Adam Smeresky, Bobby Snyder, Dylan Watkins and Luke Wood. Also great job to the coaching staff: Randy Johnson and Eric Schott.

Last year the 10B team advanced in all 4 tournaments that they entered and finished with one second place and one championship trophy.
