### Game # 1:

At the state championships in Springford, Dan Hattrup's 12 yr olds won their first game today 8-3.

Next game is against host Springford later today. Tomorrow they play the defending state champs and another powerful team.

If they win at least two games or more, they have a good shot at making the final 4 playoff spots for Monday

### Game # 2:

IFPAA lost 8 - 1

### Post- Game Festivities / Competitions:

In the festivities and competitions last night, Ingomar finished third in the 'around-the-horn' competition

Rachel Martindale finished third in home run derby. Dan Hattrup said she made it through the early rounds and into the finals. He said the whole place was cheering for her. She came up one HR short. Quite a night.

### Game # 3

Today will be tough. They play the top team in their division, undefeated so far. Then they play the defending state champs. One win is probably not enough.

Today's game vs the undefeated best team in the division. Close pitchers duel, IFPAA losing 2-1, bottom of 6th, 2 outs, Drew Hunker hits 2 run HR to win. Dan Hattrup said it was the best game he was ever involved in. He said the trip was well worth it due to just this game, no matter what happens next.

### Game # 4 (Coming Up)

Right now they are tied at 2-1 with two other teams. They all beat each other so a tie goes to a complicated tiebreaker. The teams all play a crossover game with the other division and Dan's team gets the defending state champs. It'll be tough, but they're still in it.
