

## IFPAA 18U Slowpitch Wins Pennsylvania ASA State Tournament

Congratulations to Kim & Rob Wagner and their 18U Slowpitch tournament team for their victory this past weekend at the Pennsylvania ASA State Tournament hosted by IFPAA at Blueberry Park. After the completion of pool play, our Ingomar team won a closely contested Semi-final game against Cranberry before 10-running North Shaler 14-4 in the Championship game.

Many thanks to our 16U commissioner, Kevin Rollant, our 18U commissioner, Rob Wagner, and our Snack Shack Director, Kim Wagner, for all of their hard work during the tournament to organize their teams for field prep, score keeping, and announcing duties. And a very special thank you to our Tournament Director, Dan Puntill, for his extra efforts during a very trying weekend of rainy weather. Without all of their hard work, the tournament would not have happened.
