

IFPAA 8U Slowpitch Softball Tourney Team Completes 2nd Consecutive Undefeated Season

Our 8U IFPAA Slowpitch Softball Tournament finished another “Magical” Season with a victory in the 11 team Kennedy Township tournament. This marked the 2nd consecutive season that our 8U team has reached the undefeated milestone. In addition to Kennedy Township championship, the girls also won crowns at North Shaler and Bauerstown. All of their accomplishments were due to their hard work and love for the game.
