The Ingomar/Franklin Park Athletic Association provides baseball and softball programs for 1,200 boys and girls, ages 5 thru 19. Registrants are residents of the Town of McCandless, Ingomar, Franklin Park, Marshall and several surrounding areas. Included in these leagues is the Challenger Program, designed for special needs children.

Support for our programs is solicited from local businesses and others interested in our programs. One means of support is via our Fields Banners programs. Six of our fields are currently designated for the placement of banners. These include the VESTAL Major T-Ball and Mustang League Fields (all lighted) in McCandless and the BLUEBERRY Softball and All-Purpose Fields (lighted) and BLUEBERRY Minor Field in Franklin Park. These fields are utilized daily, beginning with games in April thru June; tournaments in July, and Fall Baseball and Fall Softball in September and October.

*Note: IFPAA will be hosting the Cal Ripken State Championships this July.*

For banners purchased previously, the cost for a renewal billboard is **\$ 175.00**. New banners cost is **\$ 275.00**. A rolling banner can be placed for a year on our website for **\$ 100.00**. All fees are payable to **IFPAA** and submitted to the above address.

Field banners are 3' by 8'. For new banners, submit a layout of the advertisement desired. Several colors are accommodated, as well as corporate logos, business cards. etc.

After the weather breaks, banners will be placed on the fields soon after receipt of the fees. Banners will be placed in primary positions as fees are received.

*In lieu of banners, support can be provided for our programs via monetary contributions (payable to IFPAA), gift cards or any other in-kind contributions and services.*

***Please indicate below the field location for your billboards.***
