

The Ingomar Franklin Park Athletic Association (IFPAA) is a non-profit organization dedicated to providing recreational opportunities to over 1,200 boys and girls, ages 4 thru 19. . Registrants are residents of McCandless, Ingomar, Franklin Park, Marshall and several other communities. Celebrating its 60th year, IFPAA is one of the premier organizations in Pittsburgh. The IFPAA also sponsors Challenger baseball, soccer, hockey and basketball programs for children with special needs.

Imagine your company/organization having access to over 1,200 (and growing daily) households in your area. Your marketing opportunities with IFPAA put your company/organization front and center with the individuals who make important decisions for themselves and their families. You have your choice of several marketing opportunities. In exchange, IFPAA will acknowledge your support as described herein.

*This is a great opportunity to support the local youth in this area
along with advertising your business!*
