

# Public Site

## How can coaches view and edit player information?

Coaches can view their team's roster by logging into the public website. Then once logged in, coaches can view the team that they want by selecting it from the team drop-down as shown in the screenshot below.

The screenshot displays the MYL (manage your league) public site interface. At the top, a blue navigation bar contains links: Home Page, Photo Gallery, Contact Us, playoff, Schedule, TASK Schools, and Demo Page. Below this, a secondary bar lists: Coaches Referee Game, My Home, Admin, Profile, Team, Coach, Schedule, and Logout. The 'Team' dropdown menu is open, showing options: Braves, M70 - Test, Rainout Test 1, and Rainout Test 2. The main content area is titled 'Rookies 1 - Braves Team Page' with a 'Division Contacts' link. It features a large silhouette of a team and three individual player profiles, each with a 'No Photo' placeholder, name, email, and phone number. The profiles are for Thomas, Greg; Stewart, Barb; and Thomas, Greg. Below the team page, a 'Roster' section shows three players: Cambell, Al; Collins, Al; and Cox, John, each with a 'No Photo' placeholder and an 'Edit' link.

Coaches can edit player information by clicking edit under a player's name. They can also view player stats by clicking on the player's picture.
