

# Public Site

## How can coaches view and edit player information?

Coaches can view their team's roster by logging into the public website. Then once logged in, coaches can view the team that they want by selecting it from the team drop-down as shown in the screenshot below.

The screenshot shows the MYL (manage your league) website interface. At the top is a blue navigation bar with the MYL logo and several menu items: Home Page, Photo Gallery, Contact Us, playoff, Schedule, TASK Schools, Demo Page, Coaches Referee Game, My Home, Admin, Profile, Team, Coach, Schedule, and Logout. A dropdown menu is open under 'Team', showing options: Braves, M70 - Test, Rainout Test 1, and Rainout Test 2. Below the navigation bar, the page title is 'Rookies 1 - Braves Team Page' with a sub-link for 'Division Contacts'. The main content area features a silhouette of a team on the left and a list of coaches on the right. Each coach entry includes a 'No Photo' icon, the coach's name, email address, and phone number. The coaches listed are: Thomas, Greg (Greg8656@manageyourleagueTest.com, H: (555) 376-2153), Stewart, Barb (Barb10415@manageyourleagueTest.com, H: (555) 919-266), and another Thomas, Greg (Greg8656@manageyourleagueTest.com, H: (555) 376-2153). Below this list is an 'Admin, Admin' entry (admin@manageyourleague.com, H: (555) 376-2153). A horizontal separator line is present below the coach list. Underneath is a 'Roster' section with three player cards. Each card shows a 'No Photo' icon, the player's name, and an 'Edit' link. The players listed are: Cambell, Al; Collins, Al; and Cox, John.

Coaches can edit player information by clicking edit under a player's name. They can also view player stats by clicking on the player's picture.
