

# Public Site

## How do coaches schedule practices?

Coaches can get to the practice schedule page by first logging into the public website, selecting their team from the team drop-down, and then selecting schedule practice. On the next screen, they will select "click here to schedule a practice". They will see the screen shown below.

**Braves: Practice Edit**

[Click Here To Schedule A Practice](#)

**Add Practice**

Location

Date

Start Time

End Time

Comment

**Save**

**Upcoming Practice Schedule**

Location ↕	Date ▼	Start Time ↕	End Time	Comments
------------	--------	--------------	----------	----------

**Past Practices**

Location ↕	Date ▼	Start Time ↕	End Time	Comments
------------	--------	--------------	----------	----------

Coaches then can fill out the form as they wish and then click save. The schedule practice will appear on the practice schedule page for their players to view.
