How do I create/edit officials?

In order to add referees, they must first have a parent or player record in the system. You can add members by navigating to members->players/parents->parent edit or player edit, enter in whatever information you require to identify the official, then click the save icon at the top.

Navigate to setup->officials->officials. If you have created any referees already, they will be listed here.

[Click Here To View Profile Data](#)

[Add Referee](#)

Ref #	Name	Primary Rate	Secondary Rate	Start Division	End Division	Exp (Yrs)	Phone #	
797	Alvarez, Alex	\$12	\$11	Breakers - Grade 1-2	High School - Grade 9-12	133	(424) 354-6584	Delete
923	Arakawa, Cole	\$0	\$9	Breakers - Grade 1-2	High School - Grade 9-12	100	(310) 283-0533	Delete
836	Berg, Alexander	\$9	\$9	Breakers - Grade 1-2	High School - Grade 9-12	170	(310) 265-3289	Delete

Click the add referee button to add a new referee. You can search for player/parent records either by id or by first and last name.
