Show score on public schedule?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Show coach preferences on draft tool?	<input checked="" type="radio"/> Yes <input type="radio"/> No

If you want to filter by sport, then make sure the box is checked. To edit your sport filters, click the link "Edit Sport Filters".

This brings up a window where you see the sports you created, if you have none then the page will be blank. Click a sport and you will see the screen below:

Admin Site

The screenshot shows a web interface for managing sports. At the top, a message says "Click on a sport to edit or drag/drop the sport to re-order." Below this is a list of sports, with "Softball" selected. A "Sport Settings" dialog box is open, showing the following fields: "Name:" with the value "Softball", "Age Cutoff Override:" with the value "12/31/1969", and "Hidden:" with an unchecked checkbox. A "Save" button is at the bottom of the dialog. A green "Add Sport" button is visible at the bottom left of the main interface.

You can then edit the setting of that sport, and click save when finished.
