How do I enter game scores?

Navigate to scheduling/games>utilities>enter game scores. Select the division that you want to enter scores for and it allows you to filter by team. Game history allows you to filter by timeframe, status allows you filter by scored or unscored games, and confirmation status allow you to filter out games depending on if they were confirmed or not.

Division Team

Game History Score Status Confirmation Status

Date	Home	Away	Score	Confirmed By
08/22/2014 Fri	Cardinals	Yankees	Unscored	Unconfirmed

If you click edit game scores and click the score field then you will be taken to the window below:

Home **Away**

Cardinals **vs** **Yankees**

Forfeit:

You can enter points for both of the teams or choose forfeit if one of them did so. Click save scores.
