## How do I use the auto. draft tool?

Navigate to setup>teams>auto. draft tool.

### Automated Team Assignment

This tool will automatically assign players to teams, or delete all team assignments for a level.

<b>League Evaluations Used:</b>	Manage Your League ▾
Season Evaluations Used:	Dont Forget Where 2015 ▾
<b>Level:</b>	--Select a Level-- ▾
Assign head coach's players to the teams they coach:	<input checked="" type="radio"/> Yes <input type="radio"/> No
<b>Assign other coach's (and Team Reps) players to the teams they coach:</b>	<input checked="" type="radio"/> Yes <input type="radio"/> No
Assign average OA to unrated players:	<input type="radio"/> Yes <input checked="" type="radio"/> No
<b>If selected No above, assign this value (0 for default):</b>	<input type="text" value="0"/>
Assign siblings to the same team:	<input checked="" type="radio"/> Yes <input type="radio"/> No
<input type="button" value="Assign Players"/> <input type="button" value="Delete Assignments"/>	

Select the league you want to draft players in.

Select the season you wish to do this for.

Select the division/level.

You can choose whether or not you want a coach's players on the team that they coach.

You can tell it to assign an OA(overall average) to players that have not yet been rated, if not, enter a default value for unrated players.

You can also assign siblings to the same teams
