

Admin Site

How do I view all the users that have admin access?

Navigate to organization->admin permissions->access level report.

Access Level Report									
Access Level Report For Adult Demo									
User ID	Name	Address	City	ST	Zip	Phone	Email	Work Email	Access
11347	L								15
1001	Admin, Admin						admin@manageyourleague.com		15 - Global
1002	Admin, Tester	8924 Garnet St			0				15 - Global
7001	Parker, Tim	3732 Praetorian Ave	Williamsville	NY	14222	(585) 314-6603	cory@manageyourleague.com		15 - Global

The report displays the parent id, name, contact information, and access level for all the admins in your league.

If you click on an admin's name, you will be taken to the parent edit window, where you can change their access level in the permissions section.
