How do I migrate teams over from a previous season?

You can use the migration tool to bring teams over from a previous season to the current season that you are in.

Team Migration Official Migration

This tool will migrate information to Spring 2014 from another season.

Select a season to migrate from:
2008

Delete unscheduled games from all previous seasons:

To migrate teams, make selections below:

Existing Teams:	Unmigrated Teams:
14U	Major 70
AA-INDIANS	EAST-BRAVES
SR-WEST-BREWERS	EAST-BREWERS
	EAST-INDIANS
	EAST-PHILLIES
	EAST-REDSOX
	EAST-ROYALS
	EAST-YANKFEES

(CTRL-CLICK to select/deselect multiple,
SHIFT-CLICK to select a range)

Maintain coaching assignments with migrated teams:

Migrate tournament teams:

Migrate

The teams that you already have will be listed under existing teams, while teams that have not been migrated over will be listed under unmigrated teams. Select the teams that you want to migrate over in the unmigrated teams select box. Select whether you want maintain coaching assignments for those teams, and/or to migrate tournament teams as well. Click migrate to perform the migration.
