How do I change the season type in the Fee Code Manager?

The fee code manager's season type is changed by navigating to Setup>Registration>Fee Structure and simply selecting a different season in the dropdown located at the top of the list of fee groups. This changes which season you are viewing, i.e. you will only see the fee groups that have been assigned to that selected season.

Season Type **Unassigned** Click on a [Fee Group](#) below to view the [Fee Codes](#) associated with it.

Registration (9 fee codes)

Fee Codes
6U Co-Ed Fee
