

Public Site

How do I calculate standings by subdivision?

In order to see standings based on sub-divisions, you have to go to communication->web site->module setup. Once on that page, you will click the standings drop-down menu then make sure calculate standings based on sub-divisions is checked and click save.

Module Setup	
▸ Division	
▸ Statistics	
▸ PayPal Donations	
▼ Standings	
Calculate standings based on sub-divisions <input checked="" type="checkbox"/>	
Only calculate based on season games <input type="checkbox"/>	
✓ Save Standings Config	
▸ Schedule	
▸ Scoreboard	
▸ Playoffs (Module)	
▸ Playoff Brackets (System Page)	
▸ Leaderboard (Team Page)	
▸ Master Schedule	
▸ Multi Registration
