How do I update eligibility documents for players?

Navigate to Members->Players/Parents->Eligibility Documents. Here, you will see a form that provides you with option to build your report with.

<input checked="" type="checkbox"/>	Include Birth Certificate:
<input checked="" type="checkbox"/>	Include Permanent Proof of Residency
<input type="checkbox"/>	Display Players Divisions
View :	All Players ▼
Sort By:	Registration Order: Newest to Oldest ▼
view	

After you have chosen your options, you will see a report displaying information for the players who have registered, including the fields for their eligibility documents. The field will be checked if they have fulfilled the requirement.
