How do I migrate officials from a previous season?

If you would like to migrate officials over from a previous season, you can use the migrate tool located in setup->teams->migrate tool. Then on the official migration tab, you can select the league and the season you would like to migrate officials from. This will generate a list of names of the officials from that season where you can select the ones you want to move to the new season before clicking the migrate button.

Team Migration | **Official Migration**

* Select the league and season to migrate officials from

League: RBYB | Season: RBYB 2015

From: Redondo Beach Youth Basketball

To: Redondo Beach Youth Basketball

Parents [Select All]

- Bowles, Cameron
- Brooks, Bill
- Bui, Hai
- Cameron, Britta
- Cameron, Haley
- Cameron, Lars

No Officials Exist for this League/Season

MIGRATE
