

FEBRUARY 26TH & MARCH 7TH LVTB COACHING CLINIC

Coaching Clinic for Lake Villa Baseball Managers and Coaches

To maintain and even improve our standard of building talented ball players while also having fun learning the game of baseball, LVTB is sponsoring a coaches' clinic for all managers and coaches of our 2019 season.

Coaches at all levels will benefit from these clinics to help the kids that they will work with this upcoming season.

Based on feedback from last year, there will be more emphasis on the demonstration of drills for specific positions.

****ATTENDANCE AT ONE OF THE SESSIONS IS MANDATORY FOR ANY INDIVIDUAL WHO WOULD LIKE TO BE CONSIDERED FOR A 2019 COACHING POSITION – ATTENDANCE WILL BE TAKEN!!**

This is a free clinic and is REQUIRED for all coaches and managers to perform their duties in the upcoming season. This year's clinics will be run by Slammers Baseball Academy and we are thrilled to have TWO WORLD SERIES WINNING INSTRUCTORS as part of our clinics.

The clinics will begin with discussion of Code of Conduct and season logistics, etc. The remaining time split into four stations: hitting, fielding, pitching, and catching. Instructors will include:
