

LVTB IS LOOKING FOR ADDITIONAL VOLUNTEERS

The League and its Board can always use your help!

LVTB is a nonprofit organization run by volunteers. The commitment of our Board Members is substantial, and that level of activity cannot be expected from all members of our community.

As the league continues to grow its in-house and travel baseball and softball programs, we realize that there are people looking for ways to make positive contributions to the organization, without the Board Member commitment.

If this sounds like you, please contact us for more information!

Wondering how you can help?

Volunteer your time in any of the following areas of need!

Concessions Activities

Grilling

Field and Facility Cleaning & Maintenance

Fundraising

Assistance at League Functions & Events

Participating in Community Events

Securing League Sponsors

Talking to Employers regarding Corporate Giving Programs

Be an Assistant for one of our many more labor-intensive Board positions

Join a Committee!

...and MORE!

LVTB, unlike many other youth athletic organizations, does not require family members of players to volunteer their time to the organization. That does not mean we are not in need of more assistance!

Any amount of time that you can give to help support the League is valuable to the entire community!

Whether it is one hour, one day, or any number of either, your help is wanted and appreciated!
