

Hello Kevin,

The LVTB Board of Directors hope that you are healthy and safe! This is a difficult time for all of us as we navigate the current COVID-19 pandemic. After much consideration, the LVTB Board has decided to cancel the Spring 2020 **\*In-House\*** baseball and softball seasons.

This decision does not come lightly. Since the onset of the COVID-19 pandemic, we have all operated with the intent of providing an outlet for the children of our community. Given the extension of the stay-at-home order, and conversations with village, county, health, and park district officials, we believe that it is in the best interest of everyone in the community to cancel the spring **\*in-house\*** season.

### **THIS ONLY AFFECTS OUR IN-HOUSE BASEBALL AND SOFTBALL LEAGUES**

While we are disappointed that our ballparks will not be filled with kids and their families this spring as it normally is, we ARE excited to announce a **Late-Summer Baseball and Softball** season. Additional details on this season will come in a future update, including the reopening of a registration period. At this time we are effectively moving all Spring 2020 registrations to this Late-Summer Baseball or Softball season. This Late-Summer season will be reminiscent of a typical Spring season. Perhaps more importantly, we will have a clearer understanding of the environment and will be better able to provide a safe place to play.

We understand that a late-summer season might not fit every calendar, and know that every family situation is different. If you would like to withdraw your registration and receive a refund, we ask that you send an email request to [lakevillabaseball@yahoo.com](mailto:lakevillabaseball@yahoo.com), please make sure to include your child's name. If you would like your child to remain registered in the late-summer season there are no further actions to take at this time.

If the COVID-19 pandemic extends longer, and we cannot safely provide a late-summer season, parents/guardians will be given the option to request a refund of their fees or transfer them to the 2021 Spring season.

**REMINDER: All fields and facilities typically utilized by LVTB remain closed. This includes the batting cages at the main ballpark.**

The Board of Directors would like to thank the entire LVTB community for your patience, understanding, and continued support.

Thank you,  
Lake Villa Township Baseball Board of Directors
