

2018 Patriots Little League Frequently Asked Questions

Q: When does registration end?

Early registration ends Jan 15, 2018.

Registration for Major and Minor Leagues ends March 10th.

Registration for Coach Pitch ends April 1st.

Registration for Junior T-Ball, Senior T-Ball, and Junior League ends Apr 15th.

Q: What is the Parent / Coach meeting and is it mandatory?

The parent/coach meeting is tentatively scheduled for Feb 6th. This is an opportunity for parents to learn more about the upcoming season and get their questions answered. It is for information purposes only and is NOT mandatory.

We encourage anyone considering coaching in any leagues to attend and will ask them to stay for an additional period to discuss any important changes for the upcoming season and answer questions.

Q: What is the evaluation and who is required to attend?

All players ages 7-12 are required to attend an evaluation or players deciding to move up to Coach Pitch that are under 7 yrs of age. **PLAYERS ONLY NEED TO ATTEND ONE EVALUATION.**

We anticipate those evaluations begin conducted at Liberty High School on Feb 25th and Mar 5th. Typically we encourage players ages 9-12 to attend between 2-4pm and players ages 7-8, along with any 6-yr olds interested in playing up to Coach Pitch), to attend from 4-5pm.

These evaluations are used to provide some guidance to coaches in Major, Minor and Coach Pitch Leagues for draft purposes. They are also used to provide guidance to parents who are interested in having their child play up a league.

Junior T-Ball, Senior T-Ball and Junior League players **DO NOT NEED TO ATTEND THIS EVALUATION.**

Q: Can I / should I attend more than one evaluation.

NO. Players ages 7-12 only need to attend one of the two evaluations or players deciding to move up to Coach Pitch that are under 7 yrs of age.

Q: If I can't make one of the two scheduled evaluations, what do I do?

We recognize a few players may have conflicts or religious obligations that will prevent them from attending the evaluations. Please email jason.brown@olentangyll.org to confirm you are not available and we will determine other options prior to the draft being completed.

Q: How are teams formed?

Teams in Junior, Major, Minor and Coach Pitch leagues are all drafted. We will identify one Manager and two assistant coaches for each team and the children of those coaches will automatically be paired together. All other players will be drafted. We use evaluation results to help create balanced teams. We will also ensure that travel baseball players are evenly spread across teams. While you can list coach and player preferences as part of registration, there are no guarantees in these leagues.

For Junior and Senior T-Ball, we will identify one Manager and two assistant coaches for each team and the children of those coaches will automatically be paired together. We then look at coach and player preferences and work to accommodate as many of those as possible. Finally, we look at addresses and schools to try and get kids together from the same neighborhoods and schools.
